GENERAL RENTAL CONDITIONS

Rates **include** normal set-up, one daily cleaning of public spaces, heat and/or air conditioning, normal lighting, and water as installed on the premises and necessary for the presentation of the event.

Rates **do not include** stagehands, ticket sellers, ticket takers, ushers, door guards, maintenance, medical technicians, police, and daily utility usage fees, the service of employees or equipment for the special set-ups, special lighting or electrical services, booth equipment, tables risers, chairs, catering fees, advance ticket sales, etc. A list of these additional service fees is available upon request.

UTILITIES

Due to the increase in electricity and gas prices, the Auditorium must impose a daily utility fee. The Arena utility fee is \$500.00 per day and the Auditorium utility fee is \$500.00 per day. A \$200.00 per hour utility fee will apply for events who move-in or move-out after normal business hours Monday-Friday.

OVERTIME

For events closing later than 12 midnight, an additional charge of \$200.00 per hour or a fraction thereof will be charged for events held in the Auditorium or Arena.

LEASES

All requests for rental of space at the Spartanburg Memorial Auditorium will be considered tentative until a lease is signed, a deposit and insurance certificate are received, and, if alcohol is used, a brown bag permit or temporary license is approved.

Tentative dates will be held for 10 working days unless another promoter has requested for the same date. If another person requests the dates, the General Manager will call the first hold and send out a contract immediately, giving that person 10 days to return the signed contract with deposit. If they **do not** return the contract within that time period, the second hold will be given the date.

Leases for events open to the public will be issued up to 14 months prior to the event. Leases for conventions and tradeshow will be issued up to 24 months prior to the event. Leases for all other types of events will be issued up to 12 months prior to the event.

EVENT COORDINATOR

An event coordinator will be assigned to your event upon return of a signed lease. Your coordinator will be in contact with you to assist you with arrangements and outline services available for a successful event.

PHYSICAL ARRANGEMENTS

Detailed floor plans must be presented to the Auditorium Management and to the office of the Fire Marshall of the City of Spartanburg (if requested). All floor plans should be submitted a minimum of 7 days prior to the event.

*Please be precise with information on physical arrangements, as equipment covered under terms of this agreement will be set up from this information. Any changes will be invoiced to the lessee on a time and materials basis.

PUBLIC AREAS

Lobbies, pre-function areas, and permanent food facilities in the auditorium and arena are considered public areas and generally not under lessee control. As such, the following guidelines apply:

- All activities utilizing public areas, such as registration, special exhibits or displays, etc. must be approved in advance. Detailed floor plans with specifications are to be submitted for approval.
- Activities in public areas must take into consideration the requirements of other tenants utilizing the facility.
- Service desks and related "behind the scenes" workstations should not be set up in public areas.
- Motorized vehicles, forklifts, gas or electric cars, etc. may not be operated in the arena area or any carpeted area of the Auditorium.
- Heat tape and double-faced tape may not be used on the floors of **any** parts of the Auditorium.
- No items will be permitted to hang on the drapes or attached to the Auditorium drapes.
- No open flames or candles will be permitted in the Auditorium.
- Do not stand on folding chairs or tables; the Auditorium will provide stepladders if requested.
- All materials used in decorating the event must be flameproof.
- The aisles and exit doors cannot be blocked.
- Vendors will be able to use the Auditorium's pushcarts for load-in and out, but the Auditorium will not be responsible for any damages that might occur from misuse.

DECORATIONS

- No open flames or candles are permitted as decorations.
- All decorations used in the Auditorium must be flameproof and flame treatment must be used on all combustible material, such as table covers, provided according to the city fire regulations.
- No decorations may be fastened to walls, columns, or drapes, and nothing may be suspended from the ceiling without prior permission from the Auditorium.
- Adhesive-backed stickers may not be used or given out on the premises.
- The use of helium balloons within the facility is discouraged. Balloons cause a safety hazard when they rise to the lighting and electrical system housed in the ceiling, as well as a future hazard when facility personnel are required to retrieve stray balloons that become entangled in the facility structure. Helium balloons are allowable only under the following conditions:
 - They are tethered or strung together.
 - They are removed from the premises at the end of the event.
 - Absolutely no helium balloons may be given out inside the facility.
 - There will be a \$5 per balloon charge to remove any balloons that rise to the ceiling in the Auditorium.

GUIDELINES FOR OTHER DECORATIONS

- Confetti may be used with prior approval from management.
- There will be a \$100 clean-up charge for events using confetti.
- Plants and trees must be removed from the premises at the end of the event.

MOVE-IN AND MOVE-OUT

Move-in/move-out hours are from 8:00 am to 5:00 pm Mon-Fri. Any variation from these hours must be negotiated with the Auditorium Management and will be charged \$200.00 per hour.

PRE-EVENT ACTIVITIES

Pre-event activities such as rehearsal, preview parties, etc. will be assessed a charge for special cleaning, lighting and climate control.

FOOD AND BEVERAGE SERVICES / KITCHEN USE

All food and beverage services, including concessions, are operated and controlled exclusively by the Auditorium. All arrangements for serving food and beverages must be made through the Auditorium manager. No food or beverages may be brought onto the premises without prior written permission from the Auditorium. The kitchen must be cleaned up after each event by the contracted caterer, or a

charge will be given to the caterer after the settlement with the lessee. If the Auditorium dishes are used, a \$1.00 charge per setting will be issued to the lessee. The catering service hired by the lessee must have a business license, insurance, and follow all health regulations and rules.

UTILITY CONNECTIONS

Connections to the Auditorium’s utilities (electrical, water, and drainage) must be arranged through the Operations Manager of the facility. If the lessee requests an outside contractor, they must be certified, covered by insurance, and approved by the facility.

SECURITY

The Auditorium maintains control of building security, using uniform police and off duty police during events. All lessees are responsible for complete security within exhibit areas, meeting rooms, and other areas to be used by lessee. Lessee may be required to provide security in leased areas from the initial occupancy until completion of move-out, depending on type of event. The Auditorium shall have final approval of security requirements for all events conducted within the facility.

EMERGENCY MEDICAL SERVICES

EMS staffing may be required for certain events depending on size and type. The Auditorium shall have final approval of first aid requirements for all events conducted within the facility.

CLEANING AND TRASH REMOVAL

The auditorium will provide janitorial services during normal operation hours in aisles, corridors, open spaces, and restrooms, plus one thorough cleaning of these same areas during hours when the Auditorium is closed. Cleaning the exhibit booth areas is not the responsibility of the Auditorium maintenance crew. Events such as a food show, which require continual janitorial service throughout the facility, should make special arrangements with the Auditorium for additional personnel. Lessee is responsible for removal of all crates, pallets, lumber, and packing materials prior to the opening of the show and following move-out.

FREIGHT DELIVERIES

The Auditorium cannot accept freight shipments for exhibitors of lessees. All shipments must be consigned to the official show agent and delivered to the Auditorium during the scheduled move-in.

VEHICLES

Vehicles are not permitted in the Auditorium without prior approval of the Auditorium management or unless they constitute an integral part of the display. Any vehicle that is on display must conform to the city fire codes.

Compliance with O.S.H.A. regulations is the responsibility of the lessee and its contractors.

Any and all ASCAP, BMI, SESAC or other copyright fees applicable to an event will be the full responsibility of the lessee. The user will make payment of the fees directly to the applicable copyright agency.

PARKING

The Auditorium’s parking lot can accommodate 325 automobiles. All parking operations, including valet parking, are under the control of the **Spartanburg Memorial Auditorium**.
